EaCa Alley Destruction

Council Team –

Happy Monday to you all. I was hoping you might be able to shed some light on some work currently happening in EaCa Alley. We've been contacted by some adjacent property owners who have provided the attached photos.

We aren't sure who is responsible for the construction, but we assume DWP. Might you know who we can reach out to regarding this work? We're looking for some reassurance that the alley will be left as it was found (pavers/bricks repaired and replaced). This work was started without contacting us or the EaCa Alley Property Owners Association.

Greetings!

Our Sharky's Alley follow up meeting was originally scheduled for Tuesday, May 5, at 11:00am. However, we unfortunately have to reschedule this meeting as one of our key stakeholders now has a scheduling conflict.

Please let me know which of the following dates works best for you:

- Thursday, May 14 – afternoon
- Friday, May 15 – morning

Once we've selected the date and time that works best for everyone, I will confirm with a revised calendar invitation. Thank you for your patience as we get this meeting nailed down!

Best regards,
